Friday Nights at the Club

Don't miss your chance to join us for the Friday Night Fish Fry at the Club.

At the recent Monthly Meeting, the Board made the decision that due to increased costs, lower than needed attendance, and competition from the big city eating places, the Fish Fry as we know it can no longer survive.

So stop out before the end of the year and give the Fish Fry a proper send off. Visit with the regulars, staff and all the other folks that have made it a great place to hang out.

Our hope is to take a Cold Winter Break from every Friday Night and then recreate the Friday Event to Monthly Special nights, Afternoon Shooting and be open for shooting, Social interaction, and lighter Fare food, like burgers, fish baskets, sandwiches and maybe some specials each week or month.

A huge shout out and Thank You to all of our Loyal Customers, Staff, volunteers and Board Members for supporting the Fish Fry and the Quality time at the Gun Club for all these years.

Hopefully, we can change it up a bit, and create something that appeals to our core members, it would be fantastic to get to be the place where Members and Friends chose to come and hang out.

See you on Fridays ?!!!!!!??

Smelt Fry 2017 Newsletter

Our Smelt Fries are coming up. The Saturday's of Jan 21, Feb 18, March 18, & April 22.

Can you work that night in the kitchen, serving food, or busing tables be there by 4pm, or clean up duty afterwards please be there by 7:30pm? We also need workers Saturday morning for prep work, please be at the club by 7am. We, also, need a cleanup crew early Sunday morning to finish up. Membership Renewals

The New Year is about to arrive and that means it's time to renew your membership. NBSC membership runs on a calendar year, January 1st to December 31st.

The Membership renewal form is on the following page. You can, also, find a form on our website. That form is auto-fill, so you can fill out on your computer, print and mail-in with your membership dues. That method is preferred, as the typed info is much easier to read.

Membership renewals are due by March 31st.

Announcement

The Board of Directors Recently completed a number of meetings to discuss and finalize costs and Pricing for 2017. Some of the changes approved at these meetings, include 5 Stand operation and pricing, increase in non member Trap Fees, Raising the Range Maintenance Fee (RMF) for the single projectile ranges to \$ 20.00 and some changes to membership fees for partial year dues, and Life Membership requirements. We also eliminated gratis memberships to active Board members.

Some of the factors that guided these policies include, reduced Fund Raising income from Raffle sales and Fall Shoot, increased Maintenance requirements for the Rifle and Pistol Range, fewer volunteers participating in work days and projects, increasing outside vendor expenses annually. And just plain higher prices on everything we need. We continue to try to control costs and needs to offer members and exceptional value to become and participate in activities at the club. The decisions were not arrived at randomly, but we hope struck a balance with everything considered to best serve the members and the interest and survival of the club. Feel free to discuss any concerns with the board members, or better yet, come on out to the Monthly meetings and help guide the clubs decisions.

Winter/Spring League Monday Night January 16, 2017

The Winter/Spring leagues from the past will be combined into one 10-week season, preceded by a practice/registration night. The league will be extended if there are any complete cancellations because of weather.

Practice/Registration will be Monday night, January 16th, regular season will start January 23rd and end on March 27th, barring any weather cancellations..

Fees will be similar to the summer leagues, \$10 - member, \$13 - non-member. Sponsor fee will be \$10 per person, all sponsor fees will be returned as prize money. Payouts will be determined using 'Lewis Class'. Fun night has not been determined, yet.

Monday night is an individual league. As shooters arrive they will be squadded on a score sheet, when the score sheet is full, they can go out and shoot. All shooting will be done on Monday night, regular and make-up.

Those that are interested, need to fill out the form below and turn into Tom or Bridgette.

Pistol Range Work Party

Pistol Range work party December 17 & 18, 2016

Pistol Range Lanes 1 & 2 shut down until further notice.

Pistol Range Orientations

Any Member that has not maintained continuous Membership or the continuous payment of the Range Maintenance Fee (RMF) must re-take the Orientation when reactivating same to continue with the use of the Pistol Range.

The Member when returning, will be considered a new member and not a renewing member. The reason for this, is that over time the Orientation has changed and been updated.

Interested in becoming a Range Safety Officer?

We have an ongoing need for RSOs on the rifle range and, soon, the pistol range. NRA certification requires a one day class and, for NBSC, an RSO specific range orientation. If you're interested, contact Dan Kittel at (608) 219-8711, dankittel8711@gmail.com for more information, or Kevyn Quamme at kevyn@advbldgcorp.com

We are planning to open the pistol range more often, with RSO oversight, from April to November. Watch for the dates. This will provide access for a fee to non-members.

Monthly Drawing

Volunteers are the key to every event and activity that takes place at the club. Their contributions come in all forms, from maintenance and repairs to cooking and serving as RSOs. To recognize the importance of volunteer time, the club does a drawing at each monthly meeting. The names of two or more volunteers, who's put in at least 4 hours of time in the previous month, will be randomly drawn to win prizes. This is just a small way of saying thanks for everything you do.
