## Membership Renewals

The New Year is about to arrive and that means it's time to renew your membership. NBSC membership runs on a calendar year, January 1st to December 31st.

The Membership renewal form is on the following page. You can, also, find a form on our website. That form is auto-fill, so you can fill out on your computer, print and mail-in with your membership dues. That method is preferred, as the typed info is much easier to read.

Membership renewals are due by March 31st.

## Pistol Range Repair

We had a small but very effective crew on December 17. Jim & Steve brought scaffolding and were the driving force on the repairs. Vern, Dale, and Kevin were kept busy hauling planking and cutting. I was left with the job of supervising.

On December 28, Dale, Rich and myself sorted the planking we tore off, scrapping the boards we could not use and salvaging the ones we might be able to use.

On January 3, Tom and wife Paula worked on target backers. On January 4, Rex and I worked on the target backers

Although many of you were unable to help, we still need your help. Help in watching other shooters to be sure they know where their rounds are going. If you get a chance, walk and look at the back side of Lane 1 baffle. It looks like someone was shooting slugs based on the hole that went clean through the concrete truss. The repairs were the result of damage to the baffle from shooters not really paying attention to what they were doing. Lanes 1 & 2 will remain shut down until the weather warms up to continue the repairs. Lanes 3 & 4 are iffy, we don't need any more lanes shut down.

The range is very icy, be careful. The drive to the rifle range is very icy, be careful.

# Range News

## Pistol Range Work Party

Pistol Range Lanes 1 & 2 shut down until further notice.

## Pistol Range Orientations

Any Member that has not maintained continuous Membership or the continuous payment of the Range Maintenance Fee (RMF) must re-take the Orientation when reactivating same to continue with the use of the Pistol Range.

The Member when returning, will be considered a new member and not a renewing member. The reason for this, is that over time the Orientation has changed and been updated.

## *Interested in becoming a Range Safety Officer?*

We have an ongoing need for RSOs on the rifle range and, soon, the pistol range. NRA certification requires a one day class and, for NBSC, an RSO specific range orientation. If you're interested, contact Dan Kittel at (608) 219-8711, [dankittel8711@gmail.com](mailto:dankittel8711@gmail.com) for more information, or Kevyn Quamme at [kevyn@advbldgcorp.com](mailto:kevyn@advbldgcorp.com)

We are planning to open the pistol range more often, with RSO oversight, from April to November. Watch for the dates. This will provide access for a fee to non-members.

## Monthly Drawing

Volunteers are the key to every event and activity that takes place at the club. Their contributions come in all forms, from maintenance and repairs to cooking and serving as RSOs. To recognize the importance of volunteer time, the club does a drawing at each monthly meeting. The names of two or more volunteers, who's put in at least 4 hours of time in the previous month, will be randomly drawn to win prizes. This is just a small way of saying thanks for everything you do.

February already, the Groundhog tells us spring is almost here. Recent temperatures are above normal and there is mud everywhere.

Trap leagues are running on Mondays, Skeet is still shooting on Sunday, the ranges are operating as always.

Friday nights are active and well attended by members attending Round Table discussions, RSO meetings and just hanging out.

As the days get longer we plan to have open shooting on trap, maybe skeet, and if there is interest, we will start to man the Rifle range for "friendly competition" of long range, black powder or other shooting activities.

There are plans for raffles on Friday nights, and occasional Euchre tournaments and etc. If you are interested in any of that, let the bar keep know so we can judge the interest and plan the events.

Summer leagues are getting organized, so now is the time to get on board, and sign up if you are interested. Get a team together or add you name to a list to fill in where others are short.

The first smelt fry was another success in spite of the efforts of the SKEET Shooters stepping up to pull it off. Way to go skeet guys, and the always Reliable SMELT TEAM that pulled it off.

The next one is the 18th of February, and we have a few gaps with regular volunteers having conflicts. Do what you can to help out, the more the merrier, and it should be more fun if we get some new people out there with new jokes and stories.

See you all soon.

Membership Appreciation Day is coming up on Saturday Feb. 25th. Come out for some shooting, Hanging out and Food. Renew your membership and bring some friends too..

Don't forget to watch for other upcoming fun events. Participate or help when you can.

See you at the club, Thursdays, FRIDAYS, Saturdays and Sundays.

Shoot straight and be Safe.

See you at the Club.

Have Fun. Keep Smiling.
